WHEREAS, an outbreak of the disease COVID-19, which is caused by the novel coronavirus, has been confirmed in more than 100 countries, including the United States; and

WHEREAS, COVID-19 is a severe respiratory disease transmitted by person-to-person contact, or by contact with surfaces contaminated by the virus. In some cases, especially among older adults and persons with serious underlying health conditions, COVID-19 can result in serious illness requiring hospitalization, admission to an intensive care unit, and death; and

WHEREAS, cases of COVID-19 have been confirmed in South Dakota; and

WHEREAS, the CDC and health experts have recommended social distancing to slow the spread of COVID-19; and

WHEREAS, many states and communities across the country have already implemented the White House recommendations by ordering all bars, restaurants, food courts, gyms, and other indoor and outdoor venues where people congregate be closed until the public health emergency is over; and
